Sir,

May I write to invite your kind attention to our representation submitted to you on the 24th Sept 1951 the copy of which is herewith enclosed for your kind and ready reference

The gate collections for football matches in the City of Mysore are not encouraging and to add, the Entertainment Tax on the sale of tickets is a heavy impost on us Since the Association is functioning for the benefit of the public and to promote the game of football, it deserves encouragement

I am therefore desired by my Committee to request ~~you~~ that Government, considering our representation, will be pleased to reconsider the matter and pass orders as early as possible affording the much needed help The sale of tickets for football matches in the City may be exempted from the Entertainment Tax

Sir,

10530 6804/50-51

With reference to your letter No. L 4530 dated 15.1 1951 stating that the sale proceeds of tickets for football matches cannot be exempted from the operation of the rules of the Entertainment Tax, I am desired by my Association to submit its request for reconsideration of the orders, in view of the exemption generously granted by Government in the case of the sale proceeds of tickets for wrestling matches and dramatic performances. Football is a poor man's game per excellence and affords healthy amusement to the spectators ~~whom~~ who are mostly poor Players of the bulk of the affiliated clubs are drawn from the poor classes It is the one game which strengthens the brain and brawn of the players, the game deserves the generous support of Government It may be recalled that H.H. the Maharaja's Birthday Football tournament played in Mysore is conducted with the help of samll grants from the Department of Education and the Palace The heavy impost of the tax takes away more than the benifit afforded by the Government and the Palace. The sale proceeds of tickets are applied for the payment of the expenses of the visiting team, presentation of prizes and help the players to enable them to take part in the All India Football Tournaments.

It is this policy which has built up the reputation of Mysore players in the Inter Provincial Tournament now going on in Bombay The Association deserves the concession of relief from the burden of a tax which it cannot bear

I request that Government will be pleased to reconsider the matter and pass early orders affording the much needed help

Yours faithfully,

I write to state that the Bangalore Committee of the Mysore State Football Association is paying a heavy sum as entertainment tax on football matches organised by them. The object of this Association is to promote the game of football in the State particularly in Bangalore and provide suitable amenities to the large number of football fans in Bangalore Football is a poor man's game and witnessed mostly by the poor people The amount of entertainment tax that is now being paid works up to over Rs 5,000/- per annum After paying such a heavy amount, we find it difficult to provide facilities such as proper seating accommodation, amenities to players etc , with the meagre profit that is left over A part of the profits has to be utilised towards establishment charges. In some tournaments there is a possibility of the Association incurring heavy loss Even then the entertainment tax is being paid regularly. Permit me to bring to your kind notice that recently the benign Government were pleased to exempt the Mysore State Cricket Association from payment of entertainment tax on cricket matches organised by them. The football association which has a continuity of policy and as matches are being played for almost eight months in a year, it is very necessary for this Association to own a ground and provide proper accommodation for the fans To do all this a large sum of money is required If the Government comes to the aid of this

MYSORE

-ment and the Palace The heavy impost of the tax takes away more than the benefit afforded by Government and the Palace

The sale proceeds of the tickets are applied to the payment of the expenses of the teams , presentation of prizes to them and helping players to go outside Mysore to earn distinction in the All-India Tournaments. It is this policy which has built up the reputation of the Mysore players all over India and contributing to their success, as, for example, in the Inter-Provincial Tournament now going on at Bombay

The Association deserves the concession of the relief from the burden of a tax which it cannot bear I request that Government will be pleased to reconsider the matter and pass early orders afforing the much-needed relief

Yours faithfully,

D Ramaiya

Sir,

Subject - Application of All India Food Ball Federation for the exemption from the levy of Entertainment Tax of the Exhibition Matches arranged by the Federation.

With reference to the correspondence ending with your letter No.F3-30/52-G.2 dated the 6th June 1952, on the above subject, I am directed to state that this is an important source of revenue to the Local Bodies and exemptions from liability to the payment of this tax have already been given to Dramas, Circuses and Wrestling matches If the concession were to be thus extended to all performances and entertainments, the income from this source to the Local Bodies which are already languishing for funds would get considerably dwindled or even totally dried up. This Government is therefore not in favour of acceding to the request of the Federation

Yours faithfully,

—

Sir,

With reference to the Correspondence ending with your letter No. F 3-30/52-G.2 dated 6.6.52 on the above subject I am directed to state that the Govt of Madras are not prepared to grant exemption from the levy of Entertainment tax in respect of receipts from the Foot ball matches arranged by the Federation. The exemptions have already been granted to Circuses and wrestling matches subject to the payment of the entertainment tax. If the Government of India decide to grant exemption to all performances and entertainments the decision from this Govt

to the Local Govts which are already Canquenching for funds Unions vaults get Considerably ~~Extracted~~ or even totally dried up. Hence Govt is therefore not in power to ~~grant~~ according to the Request of the Federation

Yours faithfully
